The season of the year has arrived. The warmth and excitement of the coming season, and the joy of finalising their year-round beds, brings a sense of excitement to the Royal Oak Nursery. We are now at the halfway point of the season, in May. Many of us enjoy and appreciate one of the best things about growing our own fruit and vegetables in our garden, is the bounty of fresh fruit and vegetables, when the season is ready. This year, we will have both lemons and oranges. We grow this because the orange trees are coming into fruit, and the lemons are coming into peak season. It is a yummy combination. Next year, I will plant a further selection of citrus, to extend our early season, and give us longer season of fruit. The plums are ripening. It is exciting to see
