Ultimate Keymacro, the application used to create macros for WINAMP music library, is now available as a standalone application. Ultimate Keymacro, an award-winning, Macros-based utility that allows you to control the WINAMP music library from within your favorite keyboard-based application. Keymacro is a stand-alone program that allows you to use your keyboard to trigger up to 50 different WINAMP functions. It includes the same type of comprehensive and deep user-level control of the WINAMP music library that the Editor controls have always had, but now it works from within your favorite keyboard-based application. Ultimate Keymacro supports the following WINAMP Library functions: Play/Pause, Skip, Shuffle, Next, Prev, Random, Repeat, Loop, Set Volume, Set Rate, Set Tempo, Shuffle and Hibernate. It has a customizable keyboard layout with up to 50 keys, lets you setup a quick keystroke to bring up the Library or Artist list, supports up to 50 different actions and you can setup any keypress for any action. Ultimate Keymacro is a streamlined, intuitive and easy to use, stand-alone WINAMP music library control program. Keymacro is fully customizable. You can add any keystroke you want to any action, add any number of actions you want to any keystroke and set any keystroke to any action. Keymacro will work on any computer running Windows 2000, Windows XP, Windows 98/98SE or Windows NT 4.0, and is included with the FREE award-winning trial version of Ultimate Keymacro. Ultimate Keymacro can import/export keymacros in XML format, allowing you to backup and share your macros with others. Ultimate Keymacro is written in C# and is fully multitasking. Ultimate Keymacro is free and can be downloaded for free at the following website: Installation of Ultimate Keymacro: 1. Installation of Ultimate Keymacro Ultimate Keymacro is a free stand-alone program. Download the trial version of Ultimate Keymacro from the following website: 2. Installation of Ultimate Keymacro Once the download is complete, double-click the downloaded file to begin installation. Follow the instructions on the screen to install the Ultimate Keymacro program. Once completed 1d6a3396d6
