Want to request a book to be reviewed? If you would like to request a book to be reviewed, please fill out the form below. I will be in touch soon. A: Not exactly a duplicate, but close enough. Your original question is "why are the two forms of the word "not" in Latin not identical?" The answer you seek is that the Latin word "non" can mean both "not" and "never" (note that neither form has an s). In English, we only encounter the "never" form. If you want to know why we use the "not" form in Latin, you
